Welcome to Trenholm State Community College. As the capital city's only community college, we have a rich tradition of providing students with cutting-edge training for high-skill, high-wage, high-demand careers and transfer options to four-year institutions. This catalog is a resource for exploring and laying out a pathway to achieving your academic, career, and enrichment goals.

Trenholm State offers 33 credit programs of study as well as numerous non-credit training options. Our students can earn degree or certificates that enhance skill sets or lead to a career, and the College also offers associate degree programs that will allow for transferability to a four-year institution. Through our Dual Enrollment programs, high school students can earn college credit that can be utilized towards specific certificates or degree programs. In addition, the Adult Education program offers classes for those seeking a GED or High School Diploma, as well as English as a Second Language (ESL) classes and career training opportunities through our Career Pathways program and the Alabama Career Essentials program.

Trenholm State is a comprehensive community college that offers small class sizes, highly qualified faculty, dedicated and professional staff, and an affordable option for earning academic and professional credentials. We offer flexible day, evening, hybrid, and online course options. Our mission is to ensure that any student who walks through our doors discovers a pathway aligning their coursework and career training with their academic and career goals.
